

The Connection News

[Session #4: Jan. 2-Feb. 9]

ANNOUNCEMENTS AND REMINDERS

Tuition is due the first week of the session (**January 2-January 4**). A **\$10 fee** will be applied after **January 12**. If you have not paid tuition yet, please do so now!

As of **January 1, 2019**, we are no longer running ACH bank withdrawals for payments, but we now offer **automatic credit card withdrawals!** Ask the front desk for an authorization form.

Please let us know when your child will be absent! This helps us determine how many kids will be in class each day, which allows us to inform coaches and schedule make-ups efficiently.

Students are automatically enrolled for each session. If you plan to drop, please inform the front desk (not a coach!) at least one week in advance of the dropped session. No-shows will be charged for each week they remain in the class.

Happy New Year!!

We are so glad to have all of you here with us as we kick off another year of gymnastics! Just for fun, check out our gymnastics word search on the back!
