

Tuition is due May 13-May 18.  
A \$10 late fee will be applied  
to all payments made after  
May 18.

## The Connection News

Session #7 ~ May 13-June 19

### The Summer Schedule is now out!

**Summer Session** runs from **July 1 to August 9**, with a one-week break July 15 through July 19 (not included in tuition). Classes run from Monday through Thursday **ONLY**. If your child and a new friend who has never attended our gym sign up for a class together, both of them will get a free \$15 snack card! Tuition for currently enrolled students is due the first day of class. New students must register and pay tuition **in advance**. We **DO NOT** do automatic enrollment for summer, so if you would like your child to join us in July, please be sure to call, email, or stop by the front desk to reserve a spot!

### Gym Extravaganza!

Our annual Gym Extravaganza will be held the weekend of June 15-June 16! During Extravaganza weekend, we hold a special **Silent Auction and Raffle**. Through the generous donations we receive for this event, we are able to raise thousands of dollars each year toward the purchase of new mats and equipment for our gymnasts. As we draw closer to the show, please consider donating a gift basket for the event! We will wrap the basket for you, so all you need to do is bring your gift to the gym by **Saturday, June 1!**

Did you miss the deadline to sign up? **There may still be time!** We always order extra performance leotards and shirts in case anyone changes their minds about joining us for the show. Entry into the show and reservation of a performance outfit is on a first-come, first-served basis, as there is a finite number available. If interested, please contact the office **ASAP!**

We are so excited to have two new coaches joining us: Coach Kylie and Coach Ashley! We will also have two returning coaches, Coach Kara and Coach Lysh! Please be sure to give them all a warm welcome (or welcome back) when you see them around the gym!

Don't miss our last open gym of the 2018-2019 year! **Ninja Warrior 2.0** will be on **May 17** from **7:00pm-10:00pm**. Kids in **Kindergarten & Up** can test themselves on our Ninja obstacle course and maybe win a prize! The cost is **\$20/member**; you must sign up in advance and spaces are limited, so claim your spot today!
